Junior Concert Costume ✨

We have some exciting news!

This year, we've worked closely with our costume manufacturer to make something extra special possible. Every child will receive their beautiful concert costume as a gift from Rise Up Dance Academy! 💖

Instead of hiring costumes as we have in previous years, each dancer will get to keep their costume as a treasured keepsake to remember their 2026 End of Year Concert.

On concert day, students will arrive dressed in their costume and head home wearing it, taking home a beautiful reminder of all the wonderful memories they created on stage.

We can't wait to see every dancer shining in their gorgeous costume and celebrating this very special concert together! ✨

At Rise Up Dance Academy, we love sharing the joy of dance with our families and community. Our End of Year Production is a wonderful opportunity for students to build confidence, celebrate their achievements, and showcase all the hard work they've put in throughout the year. We encourage every student to be part of this special experience!

If your child will not be participating in the End of Year Production, please let us know as soon as possible by emailing us at office.riseupdance@gmail.com or leisa.riseupdance@gmail.com.

Thank you for helping us make this a memorable celebration for all of our dancers! 🌟
